

HMS Courageous - items required

For any of you who are likely to attend the S/M Two Reunion, Pitt.k from the HMS Courageous Exhibit is looking for any of the following items that you may have stashed away and no longer require, but needs a good home please:

- No8 trousers and shirts
- Steaming boots
- Pussers shoes
- White caps or berets
- Pussers grips / hold-alls
- Overalls
- Woollie pullies
- Old green sleeping bags and pillows.
- Lifejackets
- Blue foul weather gear
- Gear that is not listed but maybe of use in displaying.

Any gear will be greatly received and will be used to enhance the Courageous Exhibit, to give it that lived in feel.

Thanks for helping, much appreciated.
